### About the competition

- Every gymnast will receive a medal and a gift for participating.
- We host in a very encouraging and relaxed environment, hoping all gymnasts build confidence and gymnasts along with their families enjoy their competition experience.
- Gymnasts can wear their club leotards, along with any colour accessories, glitter, colourful eyeshadow etc. Shorts are permitted.
- If gymnasts would like to make a colourful number to show to the judges they are able to do so. It is not essential but there will be a prize each round for the most unique and creative numbers. Numbers will be available to show judges to identify those who do not have their own.
- **The competition will be split into 2 categories, 1-2 hours or 3-4 hours trained to ensure fairness.**

## Judges

- A judge should be supplied along with your gymnast entry. Within our events we set aside a proportion of spectator fees to pay the judges for their time. Depending on the number of gymnasts competing and the length of the day this is usually between £60 - £100 for a full day.
- Judges do not NEED to have a qualification. However this of course is very beneficial for the most consistent judging. Experience in gymnastics however is essential for a judge. Where possible we always put 2 judges together from different clubs for even and mutual judging.
- This is a colour crazy competition so judges can wear as much colour as they'd like - no need for standard judging smart suits!
- If you do not supply a judge you must pay the missing judge fee accordingly:

	Missing Judge Fee	How many judges to supply
1-10 gymnasts	£25.00	1
11-25 gymnasts	£50.00	1
26-49 gymnasts	£200.00	1
50 gymnasts +	£125.00	2
